

Safety information

- Installation must be carried out by a qualified professional.
- Before installing, make sure that electrical power is turned **OFF**.
- Before installing, make sure that the fixing area can bear the total weight of the luminaire.
- Pay attention to polarity when connecting the product.
- Do not operate if the luminaire has been damaged.
- To protect the surface from dirt and fingerprints, use protective gloves during installation.
- Warranty does not cover any damage caused by faulty installation and/or misuse.
